

Health Information Volunteer

Role description: We are looking for a small group of enthusiastic volunteers to provide a health information service to student at Hallam, this would include:

- Raising awareness of health issues for Hallam students
- To update the Advice Centres website page with relevant and topical issues
- To write articles to be included in the e-newsletter
- To research and collate useful leaflets, booklets etc from external agencies to display in the Advice Centre and on information stalls
- To take part in stalls/events for the project subject to arrangement

Skills and experience required:

- Enthusiastic
- Computer literate
- Confident in communicating with external agencies

Support given: There will be regular meetings with a member of staff to discuss any issues as well as a full and varied training programme

Time commitment: This opportunity is extremely flexible, it can be fitted around your studies and you can give as much or as little time as you can manage, as a guideline we would suggest at least an hour a week. Manning information stalls may require additional time
