

Ahoy Me Hearties!

Name: Celia Davis

Job: Volunteer Co-ordinator

Projects: This year I will be supporting Loud and Live, S7-Food Heaven!, Ready Steady Go, Horizons, Sounds in the City, Monday Club, Zest and Discovery Lab. If you have any questions about these projects I'm the person to chat to - or I can help with any other enquiries too!

About me: I started work here in October 2008 as a Graduate Trainee, and I'm here for my second year of madness, mayhem and fun! My interests include craft, art, music, reading, cycling and being outdoors in parks and the countryside!
