

**Hello to all!**

**Name:** Laura Stafford

**Job:** Hallam Volunteering  
Manager

**Projects:** This year I'll be supporting the "Hats Off" team to make sure we have a great showcase event at the end of the year that highlights all the great work our volunteers do. My job is to make sure the team are happy and to shout about what we do to as many people that will listen!

**About me:** I started work here in August 2007 as a Volunteer Coordinator and took over as Manager in March 2009. I love being by the sea as well as walking in the Lake District.
